# **New Venus Builders & Developers Pvt. Ltd.**

New Venus Builders and Developers Pvt. Ltd., was established in the year 2011 formerly known as Venus constructions since 1990, in the interest of executing all construction related activities including Commercial complexes, Residential complexes, Flat promotions, etc.,

Our expert qualified team in design and engineering continuously strives to deliver the finest quality with the updated latest technology both in execution and products in the field of construction.

Over the years the firm has created enormous trust and credibility in the minds of our clients with regards to quality of construction and time bound execution of contracts.

Venus Signature is a golden feather in the crown of venus, located in the heart of the city with all amenities in the access of less than 500m including kellys metro station, hospitals, CBSE schools, upcoming malls and chennai's most favourite shopping hub.

A meticulous fusion of classical design with modern luxury living, stilt plus five floors, each floor having 2nos. 3BHK luxury flats measuring 1518 sft. and 1600 sft.
